

ભૂપેન્દ્ર પટેલ
મુખ્યમંત્રી, ગુજરાત રાજ્ય

તા. 0૫/૦૨/૨૦૨૪

સ્નેહી શ્રી રેખાબેન અને ઉત્કર્ષ ટ્રસ્ટ સાથે સંલગ્ન સંચલાકગણ,

નમસ્કાર.

શિવાનંદ આશ્રમ, સેટેલાઈટ ખાતે તા. ૨૪ ફેબ્રુઆરી ૨૦૨૪ના રોજ આયોજિત આધ્યાત્મિક સમારોહ અને શ્રી આદ્યશક્તિ સન્માન અંગેના નિમંત્રણથી આનંદ થયો.

કાર્યક્રમ અંતર્ગત “સીતાજીની અગ્નિ પરીક્ષા” વિશે “વણકથિત કથા”નું રસપાન શ્રી દિપીકાબેનની ઓજસ્વી વાણીમાં થવાનું છે તે જાણી પ્રસન્નતા અનુભવું છું.

નારીશક્તિના ઉત્કર્ષ માટે અને સમગ્ર રાષ્ટ્રમાં અનેક સમાજોમાં, સંઘર્ષથી સફળતાને પામવાની પ્રેરકતા અંગે “શ્રી આદ્યશક્તિ” પુસ્તકનું પ્રકાશન પણ થનાર છે, જે આવકાર્ય છે. સમગ્ર સમાજના અડધા અંગ તરીકે જેમના અગણિત ઉપકારો છે, એવી નારીશક્તિને પ્રોત્સાહિત રાખવા આદરણીય વડાપ્રધાન શ્રી નરેન્દ્રભાઈ મોદીના નેતૃત્વ અને કર્તૃત્વમાં “નારી વંદના” જેવા આયામો અનેક નવતર યોજનાઓ સાથે અમલી બનાવ્યા છે, ત્યારે ઉત્કર્ષનો આ આધ્યાત્મિક સમારોહ, અનેક શુભ કાર્યો થકી અધિક શોભારૂપ બને તેવી શુભેચ્છા સાથે “આદ્યશક્તિ તુજને નમું”.

આપનો,

(ભૂપેન્દ્ર પટેલ)

UTKARSH TRUST

Rekha M. Adhwarya
*Empowerment For The Development
of Self-sustain Women Society*

UTKARSH CHARITABLE TRUST is a registered, non-profit organization, established to support women and girl children who wish to meet their full potential in life but need a helping hand. We assist and enhance their skills by availing better opportunities in getting a better education, a healthy lifestyle, and a source of earning to make them self-sustainable.

UTKARSH, assist women and girls in getting education or training and resources for career-oriented development. We try to establish their identity in society being as self-sustain. We conduct awareness programs to prevent potential problems common to women and girls due to their social, economic, or cultural conditions.

Utkarsh is Public Registered Trust under Bombay public trust, 1950.

We take pleasure to introduce ourselves as a 'Utkarsh Trust' based at Ahmedabad to spread the light of the awareness and bring together more and more people for good cause.

VISION

Empowerment for the development of self-sustained women society.

MISSION

To empower girl child and women especially from marginalized social group, so that they become capable of gaining control over their earning & able to maintain and improve their living standards with considering communities, nutrition, health, education and well-being along with developing lively-hood. We help inexecuting self-sustained woman society.

From the Director's Desk

“Rekha is a visionary woman. She believes that real success lies in creating an organization from the scratch and then empowering others to run the same and move forward to create some other worth-while organization. According to her journey never ends because each mile stone leads to another mile stones ahead. If one is empowered with the crystal clear vision for the future.” Thousands of women & girls have come forward to bring change after participating in REKHA'S campaign on breaking the silence of social taboos around menstruation in Gujarat, Rajasthan and Madhya Pradesh. After giving the knowledge of Menstruation... show's social impact on society ie...Improvement in Girl's health and academic performance like... Decrease in school dropout ratio, Decrease in menstrual myths, Better hygiene, Decrease in cases of Urinary Tract Infection and Better health and self esteemed of girls/women. The young people have demanded to improve access to health and nutrition services and information, stop early marriages and discrimination and Better livelihood option.

While I write this the COVID 19 pandemic, sadly has pushed the marginalized community of our project area in a web of poverty, drudgery, undernutrition and poor health, making the situation more complex and challenging in the coming years.

Bellezoe
Bella Shah Owner

Mantra of Success : There is no Substitute for hand work.

BelleZoe, is a company based out of Ahmedabad that manufactures exclusive chocolates and confectionaries and sweets.

With a BA in Economics and a Post Graduate in Mass Communication I have dabbled in many fields. From working as a Producer in a Media Company to managing stores like Adidas and then moving on to Catering; she has seen the ins and outs of every business. Somewhere along the way her love for cooking up a storm in the Kitchen took centre stage and she was thrown into the wonderful world of Culinary Arts. A veteran of the Ahmedabad food industry, I started off with catering for a close family friend's office, but soon realised that it was putting a smile on faces by making sweets and desserts that truly brought everyone alive. And this is something I have been doing for 18 years now.

At Bellezoe, we create low calorie and sugar free sweets created as per client requirements. We cater to retail orders of 1 box as well as huge corporate orders of upto 10000 boxes and more. Our USP is that all orders they create can be completely customizable.

Achievement : Bellezoe has been nominated for the Times food award this year We are winning the Times food award for the best sweet shop since last 2 years.

Dr. Bhavna Modi
(MD)

Mantra of Success : Medicine Free India, a special method cultivated to cure certain diseases by pressing certain points in palm or on the soles of the feet.

Dr. Bhavna modi as acupressure therapist, her journey was started in 2008 and almost struggling for two years, she is now practicing her duty since 2010 and countless people in Ahmedabad have been relieved of their stubborn diseases with her treatment. Dr. Bhavna Modi is a well-known therapist with patient centred care in which s/he is receiving healthcare with dignity and respect and involving them in all decisions about their health. According to Dr. Bhavna Modi, any type of disease like cancer, diabetes, skin diseases, thalassemia, jaundice, rheumatism, back pain, sciatica, cold polio, malformation of limbs or brain, facial pain can be cured with the help of different types of blackheads. Problem in Eating, Convulsions, Chest pain, Menstrual pain in women, Migraine, Abdominal pain, Hand tremors while writing, Shoulder stiffness, Pain in heels and soles of feet, Insomnia, Pain in injured part and many more disease can be cured. Along with this, various modern techniques like Number Therapy, Sujok Therapy, Magnetic Therapy, Meridian Acu, Yoga, Auricular Therapy are beneficial, too. She also states that any incurable disease can be cured by pressing certain points in the palms or soles of the feet. In this method consciousness is generated in the form of electrical current in the body. It is believed that and the various pathways that carry it are known as meridians, as long as this stream of consciousness circulates properly in the body, the body remains healthy. Due to overexertion and wear & tear, this electrical current does not reach the various organs of the body, causing pain or soreness. Acupressure is a method that is believed to relieve pain by delivering an electrical current to the point. In Western countries this method is known as reflexology or zone therapy which is also mentioned in the Shalakashastra of Anurveda.

Achievements and Awards:

Very well known therapist Dr. Bhavna Modi honored with extra ordinary contributor as a Acupressure Therapist Award 2023 for treating people with stubborn diseases.

Also honored with an award by the Ahmedabad Medical Association

CA (DR.) FALGUNI

*(Chartered Accountant, Life Coach, Designer Cake Artist)
FCA (Gold Medalist), PhD (Quantum Healing Energy,
Florida), MSPN(Florida), M. Com, B. Com, DNYS*

Mantra of Success : Jo Bhi Karm Karo Dil Se Karo

Achievements: Shared views on Health and Meditation to CA's on the occasion of CA Day 2019 at ICAI Ahmedabad Branch. Also Shared views on Healing Meditation and Color therapy with neurobic exercise at a gathering of learned Invitees of around 200, at a specially organized program at a local

Hall in Ahmedabad on 14th July 2019. Conducted Online 90+ various types of Creative Healing Meditation Workshops, including for children's as well. Undertook PhD and as subject of the thesis dealt with about 60 patients of thyroid. Shared views on Healing Meditation for Health & Happiness in program conducted virtually by ICAI Ahmedabad under Movement 73 initiative - May 2021. Conducted Spiritual Healing Meditation Virtual Program @ Aadarsh Amdavad & Nisargopchar Ashram, Uruli Kanchan, near Pune (Founded by Mahatma Gandhiji)

Life Journey: Born in a small village of Jhalawad, Gujarat, completed my studies in the village till the age of 16 and came to Ahmedabad city. With the motivation, struggle & support of parents and with the motivation from esteemed teachers, I completed B.Com graduation from HL Commerce College, Ahmedabad. Completed Inter CA & M. Com, but had to face trial in CA Final. But as hard work never goes waste, completed CA with two gold medals in the same subject in which failed earlier. My best friend my mom... mom left the body & after some time my younger sister's husband left the body... from this loss even Falguni did not know when she became motherly figure for younger brothers & sisters.. The time of loneliness and sadness was over & God blessed us with a beautiful angel- our lovely daughter. In 2007, I came in contact with Brahmakumaris & Experienced God's Spirit and Form. Through such Meditation & Godly Knowledge. I decided to have food cooked by our hands, reason being, when we cook food, energy of thoughts that come to our mind gets transferred to food and thereby to us. Thus, because of that decision I learned to make cakes and after doing a diploma course, became a designer cake artist. So, if there is will, there is a way. The month of March 2019 was very important, I was able to reverse 18 years old thyroid with healing meditation. I experienced & understood how quantum healing energy works. So started PhD in quantum healing energy to be useful to people. While studying for PhD, helped thyroid patients in reducing or reversing thyroid. Then completed PhD in 2021. I am grateful to God, that he made me instrumental in helping patients suffering from common ailments to breast cancer, to get benefits from healing meditation. Thanks to God for giving me a chance to do something & give back to the society. About 100 + sessions have been provided to help people heal their diseases and live healthy & happy life.

At last, I would like to extend my gratitude towards Almighty God, my better half – CA Rakesh, & my lovely daughter Forum.

Mantra of Success : Changing the world one life at a time, making it healthier and stronger..

Communities, countries and ultimately the world are only as strong as the health of their women and I Dr Hetal Patolia , as a gynaecologist and fertility expert feel blessed to be working for women's health ..

Seeds of inspiration: My father with his deep interest in ayurveda ignited in me the passion for medicine and healing. I set out on a path to become a doctor and excelled in school to secure admission in medical College . I passed my medical school with five gold medals for academic excellence!

Empowering women: After graduation I began my practice in 1999.I have embraced change and innovation in the field of gynaecology by continuously upgrading my skills. I did my diploma in clinical nutrition, medicolegal systems, ultrasound in OBGY, advance laparoscopy, health care and Hospital management. Lastly I did a diploma in reproductive medicine and ART (Artificial Reproductive Techniques)-IVF from Keil, Germany.

Holistic care: I believe in a holistic approach to health and have pioneered the concept of inculcating the principles of Ayurveda and yoga into the modern medicine. My passion is Womens empowerment thru self awareness and health education for which i organise awareness programs for women and work with NGO s for womens health in remote areas.

New life: Rising rate of obesity worldover especially in women is a grave concern as it affects each stage of her life adversely. Hence , timely treatment of obesity is essential. Realising this and seeing the work of my husband Dr Sanjay Patolia who is a laparoscopic GI and Bariatric Surgeon, we set up a company -New life Obesity care Private Limited to raise the awareness for obesity, guide scientifically for weight loss through diet, lifestyle, exercise, medicine and surgery and keep them motivated for a healthier life.

Awards and accolades: Among all the awards i have received the one that i hold dear is the testimony of my patients and their love and trust.

It is a blessing to have touched countless lives over decades and I hope to continue my journey with the same compassionate holistic care that I believe in , changing the world one life at a time , making it healthier and stronger.

Kalyani Sahasik Mahila Vikas Sangh - President
ACC of Welfare Foundation Mahila Wing
Chairperson

Hetal Gajendrakumar Amin

Mantra of Success : To give every girl child the right to education and to develop as many new skills as possible to make them self-reliant.

Divya Bhaskar's "Madhurima" in 2016, Hetal Amin left a vibrant career as a fashion designer to help women to become self-reliant and has led around 1700 rural women to a proud life. "Sangharsh Siromani" "Chitralkha" Anokhi Hetal "Sakhi" "Gujarat Samachar" In many places stories of my success and awards written by Hetal Amin are becoming inspirations of women. As the awards came, my mind always wondered why to give accurate justice to the society and the responsibility of making the sisters self-reliant.

In the work of Kalyani Entrepreneurial Mahila Vikas Sangh, especially in gold exhibition free stalls and in marketing level to get orders in bulk and benefit from government schemes. Helping to create sakhi mandals, conducting seminars to generate employment, providing digital marketing to women. Also providing B2 B information, improving and designing the products as per the demand of the rural women to increase the production. Also helping to resolve issues socially. The organization is working tirelessly to support the precious women. Middle class women were helped by making and selling Tiffin and masks in huge quantities in Corona. Setting up stalls in city government exhibitions, state level exhibitions, national-international exhibitions, taking orders, fulfilling orders, financial issues, saving the house, saving the children, taking care when someone in the family is healthy or sick, always keeping the family at the forefront of every responsibility. Today, after 23 years, I can see the colour of my hard work like the colour of the rainbow.

Achievements and Awards:

- In 2013 the Kalyani Entrepreneurial Mahila Vikas Sangh was established, upto 2024 more than 3,00,000 Entrepreneur were jointed in her Sangh.
- In 2014 the state level organization of the Kalyani Sakhi Mela has been successfully handled by 2 programs so far.
- In 2014, 4- world record * received more than 121 awards.

Mantra of Success : Cooking is all about head, heart and hand, so keep on cooking positively and cheerfully.

‘Intense Flavours & a rich variety of spices and vegetables often makes a dish go from mediocre to marvellous’. This is what Jenish believes. In Process of fumbling the past, although being a gold medalist civil engineer, she was in to garments and fashion designing in early days. But her passion for food diverted her into taking culinary art as a profession.

Ever since her first stint as participant in the first of its kind cookery competition conducted by popular channel E-TV, having won the competition and title of ‘Rasoi ni Maharani’ and being awarded by Mrs. Tarla Dalal, Jenish has strived to dish out various cuisines over the year. Eventually she joined as a cooking expert on Rasoi show and presently she conducts her cooking workshop. Several students of various age group are trained by her. She indulges in exclusive catering and consultancy for hotels. Apart from this she is a renowned food stylist also.

What is her secret ingredient, we ask “May be it is my love for food and that desire to make people smile”. She replies. She heartily wishes to redefine cooking as fashion.

She encourages people for cooking by her appearance on social media at relish with Jenish. Her own premium brand Selection Spices for masala & instant mix is a must have products for every kitchen. Her secret ingredient to cooking best food is love & laughter.

Sathiya Matrimony (Founder) *Jaksha Sunil Shah*

Mantra of Success : Dedicated my life towards social service with Lions Club of Samwedna and other similar organizations.

Now I have reached the age of 65 years, but my approach towards life has always been very beautiful. I believe in enjoying every moment of life.

Achievements: I worked for 11 years as the treasurer of the Jain Sravika Seva Sanstha during which I wrote a book titled "Jain Marriage Rituals" in which all the rituals performed during a Jain marriage are evaluated from a scientific point of view as well as enlighten our community with the symbolic facts associated with them. Afterwards, I have also served as an accountant at Jeevdaya Trust for over 5 years where I have observed and treated the injured birds.

Karma speaks as I was elected as a president of Lions Club of Samwedna where I have contributed in various departments like AIDS, for old age homes, orphanages, nutrition and handicapped. Distributed tricycle, walker and also reached to many people with prosthetic legs. It was always my dream to make economically backward women self-sustain. Under this women empowerment venture, we have distributed sewing machines to the needy women as well as offered pedal-rickshaws.

I have also been associated with Utkarsh, under which we have also worked with adolescent aged girls to enlighten them about the hormonal changes in the body. With the help of a large group of our sisters, together we have helped 28 children with cancer.

Then I became president of Femina where approximately 400 women are associated and activities for entertainment are being carried out. Finally, I have introduced "Sathiya Marriage Burau" it works for higher education and businessman, including with aiming to walk along with this generation and continue my service for the betterment of our community.

Infinite Minds

Unveil wellness

Meghna Shah

*Founder, Healer, Sound, Crystal, Reiki Healer
Yoga & Dance Movement practitioner*

Mantra of Success : To heal and uplift myself and others to raise consciousness

Since my childhood I had a dominant thought that our life should be a festival of dance and music. That vibrant thought led me to the profession of choreography. With all my responsibilities of house and family my passion and hardwork was appreciated in newspapers. My inquisitiveness was still there to know how to bring out the best in each human being. We just have to peel off the layers of unknowingness to bring out enormous power. That was the birth of my company INFINITE MINDS...Unveil wellness... To create wellness one has to go within. I developed expertise in public speaking, Yoga, counseling and dance movement therapy At the Aadarsh Amdabad the NGO. Practicing now Reiki grand master, Crystal healing, Dance Movement therapy and Sound therapy. I accomplished my goal to tap into the secrets of the human mind and heal them completely on each levels. I teach how to use cosmic laws to empower others. Still exploring how to raise your consciousness with sound and dance and dive into the divine bliss. To know the secrets of the universe one has to think in terms of energy, frequency and vibrations. This is my immense pleasure to share my journey with you all ...With infinite Gratitude.

Mantra of Success : "If you ask, you will find."

Our aim is to inculcate culture in children through different activities and to develop all round children by recognizing the strength, the power that resides in them. Slum areas, uneducated masses and the lowest strata of society, living in economic crisis were the hallmarks of Mahatma Gandhi Colony.

My father Shri Haridada, who laid the foundation of this school in 1987.

Today, after 37 years of struggle, the school has taken a new look. The conflict that started with 30% has reached 90% today. During this critical period, the student is kept at the center of her strengths and the overall development of the students is continuously maintained and they reach the highest pinnacle of success. Each student's progress is checked individually.

Along with studies various external competitions, exams, activities like dance, karate, chess, yoga, sports competitions conduct to develop confidence in students. Computer lab, tinkering Lab, Smart Class, N.S.S, N.C.C, Eco Club, Energy Conservation Corps, Tours, Visits, Math-Science Exhibition, Environment and Traffic Awareness Program, electricity & Petrol Saving Awareness Programs, Safai Abhiyan, Consumer Protection club etc activities are inspired students to become a strong and a wise citizen.

Through academic programs, continuous guidance by experts, parents meetings, written information and guidance to parents for high results, career guidance prepares the student for higher studies.

Today working Principal Mrs. Nitaben is carrying forward her father (Shri Haridada)'s dream with great zeal, hard work and sincere efforts. It has always been his aim to work in the interest of the students. Nitaben Shah has taken the school to a new height, whose motto is "If you want it, you will find it, you will find it."

Sonya Foods Pvt Ltd

Rutuja Patel

Founder & Managing Director

Mantra of Success : Give in 100% at work but remember that family comes first.

Born in a traditional Gujarati family, it is said that business runs in our veins. True to the word, I too stepped into the world of our family business of manufacturing Ceramics in 1999, right after accomplishing dual majors - Masters in Marketing and International Business from LIU - USA. A Delta-mu-delta Honors society awardee.

In 2013, I stemmed out on my own launching Sonya Foods, besides our core Ceramics business, I was equally active in. Today, with pride I can share that we are not only a major manufacturer of technical ceramics; but also Nut Butters, which has encouraged exports in over 45 countries as a group!

My part in giving back to the society has been possible via the Budhabhai Trust who has tied up with Adarsh Ahmedabad to provide various medical and teacher trainings almost free of cost.

2022-23, I was the Chairperson of the Business Women Committee at GCCI which lent an opportunity to interact with people from all avenues and concentrating on the goal of empowering women entrepreneurs. This is particularly close to my heart as it is the most rewarding experience in making a notable difference within the community I belong. Through programs consciously designed in facilitating women led start-ups and promoting their area of work, as well as enabling adding valuable skills and establishing the right connections remains at the core of BWC's philosophy and my endeavours.

Mantra of Success : As long as I live Will give a Helping Hand to the needy.

I am an Entrepreneur and a Philanthropist who is always ready with a Helping Hand. I was diagnosed with polio at an early age of 6 months. But I was enthusiastic about learning new things and innovation. I started a new profession of cakes and chocolates under Rakhi's Choco Hub. Eventually i started Samyak Women's Club so that I can also help other women to overcome difficulties in their life. Slowly and gradually my both organisation have a reputed name in Ahmedabad.

Samyak Women's Club has more than 150 members. And each month we organise a day where they put their skills and business innovation on board and also they have a great time by meeting other women entrepreneurs. I started Helping Hand group to help the needful by distributing 30 kits of food every month as well as we organise Blood Donation Drive every 4 months. A special group was started in 2019 by getting inspired by my mom. Senior citizens club named Hashi Khushi club so that they can have a nice environment for themselves.

House of Marigold

Shilpa Choksi

Designer & Founder, House of Marigold

Mantra of Success : "There are no secrets to success. It is the result of preparation, hard work, and learning from failure."

"The epitome of inspiration and consistency." Surrounded by the beautiful parents, She hails from a wee-heeled and business family, but her journey has not been untroubled. When she was a juvenile she had always been inclined to the art world, especially she would adore watches. She would love to collect them. Some say a girl's life stops when she gets married, and afraid to start their career, but she followed her passion by putting every stumbling block behind. Her curious mind, high spirit, contemporary art and passion have made phenomenal watches by moulding them into some exquisite shapes. In 2008 her journey started with a vision of "Rebirth of time" in a distinct way. After giving strenuous efforts, in 2010, "House of Marigold" came into existence, the everlasting world of watches by "Shilpa Choksi", then her passion became her profession. Her designs and hard work got appreciated by many bollywood celebrities, a lot of Royal families, and several industrialists around the world. In 2012 she had commenced one momentous brand "Aabhasa Watches" - an Indian alternative of international quality. Her invincible approach towards life would give her one more feather to her cap in 2013-2014 which is "Jacaranda Jewels" and "Jacaranda Watches", so undauntedly she dabbled into it with a flying start. Hence she made fantabulous silver and metal jewellerys like neck pieces, bracelets, rings, bangles. Her designs are exuberant, luxurious and valorous. These brands are alive with the high artisanship, detailing and design. Each piece speaks a story. And there is still a comma.

Mantra of Success : Avoid looking back and worrying about the future

She started as an Administrator/Outreach Coordinator for the Indo American Education Society and then led the Library, which was a US State Department programme. She is a professional anchor and storyteller. She conducts a talk show called "Goshti" on Facebook. She has vast experience

in a wide range of businesses. She had worked with GHCL (Icon Data Management), TATA Tele Services, Aegis, Ace Information Way, and Helen O'Grady (Australia). She adores music and acting. Her role at HoG was to teach students aged 3 to 18 about personal growth, communication, expression, and confidence through drama. She believes that if you can't express yourself, you can't succeed in any environment. She completed her studies in "Film Production and Management," and as part of the course project, she produced three short documentaries. Her main areas of expertise include event coordination, quality assurance and counselling, vendor management, client management, and training.

In her former role as an NGO, she organised a number of empowering workshops, training sessions, expert lectures, and exhibitions on topics such as women's economic empowerment, climate change, and the environment, as well as expert sessions on girls and women in STEM, particularly in rural communities. She is actively interested in women's groups in Ahmadabad. At the year 2023, she has been Awarded with "The Pride of Gujarat" at Rajkot.

She began her career as a receptionist because she had a very minimal school background. She studied in Gujarati Medium throughout her education and earned a diploma in home science. As a result, she must first experiment with numerous positions in order to determine her capabilities. But it didn't stop her from learning something new every day to add to her professional adventure, which has brought her to this point.

She believes that society is rapidly evolving, and for the better. We observe a lot of positive changes in the chemistry between ladies. Technology has significantly influenced the thought process. Girls nowadays study, work, and manage their personal and professional commitments admirably. However, when we look closely at a certain area, we can observe that women are still not there yet. With no liberty, no empowerment, and no will to stand up for yourself. This is where folks like us can work hard to help those women come out of their cocoon. She is always willing to assist in enlisting young people and women.

Mantra of Success : "Women is not only power but super power "

I have always strongly believed that nothing is impossible for anyone, not just for women, we just have to keep trying, without giving up. Based on this faith, I changed my own life and also took the initiative to bring extraordinary changes in the lives of many other daughters and women. Sensing the wind of time, we started computer coaching classes in 1994. These classes began to progress rapidly and soon four branches were opened in Ahmedabad. I used to help the students in their school studies and in getting computer knowledge according to the new times but I was not satisfied with this. I thought that there was a great need for comprehensive guidance to students who wanted to go abroad for higher studies. With this in mind, we started Swift Solution Company in 1998. Today we are associated with more than 570 colleges/universities across the globe and are the first choice of students especially from Gujarat going to Singapore, UK, USA, Canada, Australia, New Zealand & Europe for higher studies. Thus, in my education journey from 1998 to 2023, I changed the direction of many students' lives, making them successful. A hopeful life has been built. Currently I am working on the following areas.

CMD, Swift Edutech Solutions Pvt. Director, SWIFT OVERSEAS EDUTECH SOLUTION PTE LTD (SIN POR) Director, SWIFT HEALTH SOLUTION Member Education Committee, The Council of European Union Chambers of Commerce in India Member, European Association for Education Member, Singapore Indian Chamber of Commerce and Industry Member, Gujarat Chambers of Commerce and Industry Executive Committee Member, Gujarat Chapter, Confederation of Women Entrepreneurs of India National Body Members, Coaching Federation of India Life Member, Ahmedabad Education Group Founder and Chairperson, Swayamsiddha Foundation Founder and Chairperson, Social Group Founder and Chairperson, Daughters Day Foundation Received by Brahma Samaj, Gujarat India and singapore's many famous organisations has awarded me. As well... she Received various awards from the famous organisations of India and Singapore.
